FOR WHICH COURSES AM I REGISTERED?

If you're already logged in in the KUGonline system, you can easily get an overview about the courses you're already registered for by opening the application "My Courses".

Important Information:

In several Study Fields (i.e. Instrumental Studies, Voice, Conducting, and Composition), foreign exchange students receive one-on-one instruction (KE) in their primary artistic field only. In addition, exchange students generally may enrol in lecture courses („Vorlesungen“/VO). Because the number of student places in seminars („Seminaren“/SE) and professional study courses (UE, VU, PR) is limited, you should contact the instructors directly to ask about any available spaces.

If you have more questions regarding your application, please read the information available on the website of the International Office (for Exchange Students): <https://international.kug.ac.at/>

For further information please visit the Registrar's Office webpage:
